i bought this setup 2to 3 months ago and used it once. i bought a different boat so dont need this anymore. I paid \$670 for total setup. it has a brand new 6.5 hp Predator engine installed and ready to mount on boat. in like new condition. Comes with spare prop. The SRS Swamp Runner mud motor is a well built sought after motor that receives good reviews comparing them to other even more expensive units. Text, Email or call. leave message and I will call you back. cash only.
